Christmas is coming

Not long to go now until our Christmas parties! If you're joining us in Edinburgh, we'll be seeing you next week and if you're coming to the London party, then it's 3 weeks away. That means Christmas itself is 4 and a half weeks away!

COVID guidelines

This will be the first time for many of you socialising with the Project Partners team, so whilst we're all looking forward to partying the night away, there are some things to remember.

As per the [Government guidelines](#), we recommend that you test regularly to help increase the chances of detecting COVID-19 when you are infectious but are not displaying symptoms, helping to make sure you do not spread COVID-19.

In [Scotland](#), by law, everyone aged 12 and over must wear a face covering, unless exempt, in hospitality venues. You may temporarily remove your face covering when sitting down or when eating or drinking.

Please respect other people's boundaries at the parties. We want everyone to have a great night and feel safe and comfortable at the same time.

We look forward to seeing you there!
