## Happy anniversary Corrinne!

Corrinne is celebrating her one year anniversary with us!

She originally joined a year ago working as an Associate Partner on a Hydrogen project, before becoming a permanent member of the team in May. She took over the Partners team, and taken things from strength to strength.

The team has now grown to 4 members. She's also implemented practice management and our own Recruitment system, so we can continue to add to the team and bring in more Partners who share our values and vision.

**Congratulations Corrinne! Your dedication to Project Partners is helping lead us to success.**
