What are we celebrating this week?

Takeda - Client Formal Review

We recently undertook a Client Formal Review on our engagement with Takeda as part of the Article Contract Deliver Project, which has resulted in a positive review with some great feedback for our Lead Consultant and Lead Content Specialist both scoring 5 out of 5! Some of the reviews we received were:

The Lead Consultant is "Very good to work with, responds to requests, works through issues, flexible in delivery, applies continuous improvement."

The Lead Content Specialist "has improved our engagement in establishing good rigour and an effective state flow with the Takeda team."

A huge thank you to all the Data Management Analysts for providing such a great service for Project Partners!

Kudos to Sheree!

Sheree has been instrumental in the creation and setting up of our new London office. Starting from commercials, liaising with the landlords, ordering furniture and kit, deep cleaning and maintenance activities, the list is endless...

Thank you Sheree for all your extensive efforts. We look forward to utilising our new home!

And we are saying Goodbye to Sunil!

Sunil Shah, our Delivery Assurance Director is leaving us after working very hard on various projects with us. We will be upset to see him leave.

We wish you all the best with your next endeavours!
