

Sunday Success

What are we celebrating this week?

It's (almost) the end of the year

We just wanted to say a huge **THANK YOU** to every single one of you. You have all worked so hard and we truly appreciate it. This year we have gone from strength to strength, doubling in size, and helping clients achieve more of their goals. We would not be where we are today without you, so thank you again and enjoy your well-earned break!

Welcome to Charlotte!

Charlotte Arnold has joined us this week within the Change Team as our new Finance Business Partner. Her experience ranges from bookkeeping and budgeting to preparation of financial and management accounts.

Welcome to the team!

Another happy customer

Congratulations to all of our Partners on the Tesco Bank engagement.

A Client Formal Review of the Services was carried out at Tesco Bank recently and the feedback was glowing! They are incredibly happy with the quality of service they have received and gave us a 10/10 client satisfaction rating – an indication of how much they value the contribution of each and every one of you.

Well done and massive thank you to everyone for providing such a great service!

And congratulations to Scott!

Congratulations to Scott Carmichael for two years with Project Partners. Scott was the first BA to start working at Tesco and has worked tirelessly on helping deliver an amazing service for our client.

Scott has a wealth of experience and has worked with helping to embed agile in EDS, as well as sharing his agile knowledge with other Partners, producing all the usual project artefacts, coaching junior members of the team, helping with client fit meetings, and helping to build out finances for business cases (to name but a few).

Great work Scott! We hope there are many more years to come!

Want to give kudos to somebody for their great work? Let us know and we might mention them in next weeks' email!
