

Sunday Success

What are we celebrating this week?

Hello to our new starter!

Joseph Britton:

Joseph Britton has joined us this week! He is a professional Business Analyst with experience in delivering within Agile and Waterfall project life cycles to fixed timescales and budgets.

He is working with Lynsay Fielding and is assisting us with business process mapping of various end-to-end sales processes.

We're thrilled to have him on board and can't wait to see what he will achieve!

Kudos to Sarla!

An outstanding effort last week by Sarla Senghani!

Sarla reviewed salary and pay rate ranges against 87 roles within a 48 hour period. This benchmarking activity is key to some exciting future development work we will tell you about next month so keep your eyes peeled.

Thank you Sarla for your hardwork! Your dedication to Project Partners is helping us achieve the exciting future we envisioned!

And we are saying Goodbye to Carla!

Carla Bicker will be leaving us this week after working very hard on the Tesco Bank project. We will be sad to see her go.

We wish you all the best with your next endeavours!
