

Sunday Success

What are we celebrating this week?

Sunday Success Superstars!

This week we are giving shout outs to two awesome Partners!

Liam Hynes

Liam has knocked it out the park, and exceeded expectations by producing a phenomenal BA skills matrix. The skills matrix will form a fundamental part of our Partners Engagement model.

It will allow us to assess potential partners at interview, plot partners career paths, assist with reward and recognition and directly link with our commercial agreements with clients.

Well done Liam, you have set the bar for everyone else to meet.

Tomi Okelola

FitFlop have provided feedback that they have been very impressed with the high level of quality content in a Cutover strategy document Tomi has produced.

A big well done and thank you to Tomi for continuing the first-rate work Project Partners is known for!

Thank you both for being your best every day! Your hard work and dedication is an example to everyone on the Project Partners team!

Want to give kudos to somebody for their great work? Let us know and we might mention them in next weeks' email!
