

New Update

Sunday Success

What are we celebrating this week?

We're celebrating some awesome Partners!

Shout out to Luke Camfield!

A welcome to [Luke Camfield](#) this week who has joined us to help drive our visions forward for Project Partners and is currently running the project to deliver an internal recruitment system.

This system will make it much easier to find the exceptional kind of Project Partners to help deliver high quality change to our clients. And maybe allow Corrinne (our hard working Head of Partners) to put her feet up for a change!

Luke has hit the ground running. We threw down the gauntlet and he ran with it with a huge smile on his face! His collaborative working nature and tenacity to ensure we set ourselves up for success have been hugely appreciated. We can't wait to see what else Luke can do next and how we can help progress his career. **Thank you Luke for all your hard work and efforts.**

And a big thank you to lyisha Dowey

Due an unexpected absence last week, [lyisha](#), our newest Partners Analyst, really stepped up and took tasks seamlessly from Sarla. This really helped balance the workload and allowed Sarla to continue with some UAT on the recruitment tool. lyisha hasn't been with us long and is still learning the ropes on several processes, but she rolled up her sleeves, asked a load of questions and helped keep the Partners' area moving at pace. A real team player. **Well done lyisha, keep up the good work.**

Want to give kudos to somebody for their great work? Let us know and we might mention them in next weeks' email!
