Water Cooler Moments

Our new Water Cooler channel on Teams is the place to be. This channel is open to everyone in Project Partners to discuss the meaning of life, post memes, chat about personal stuff and just hang out. Feel free to join and spark discussions, or to schedule a chat with someone you'd like to get to know better.

We have also set up Happy Hour! Taking place every third Friday of the month from 4 till 5, grab a drink (or two) and join us for a little Friday fun!

Or if Friday's don't work, we also have a Coffee Break call every Wednesday for twenty minutes at 10:30.

Simon Stekler and Luke Camfield also created a Project Partners Office Stereo playlist on Spotify! Every partner can add their own songs or just have a listen!

You can claim the Working from Home tax relief!

If you have been working from home during the pandemic, you can apply for a tax rebate worth up to £125 per tax year!

The relief is to cover extra costs incurred such as higher heating, electricity and internet bills.

To help cover the extra costs, HMRC are allowing you to claim tax relief over the 2020-21 and 2021-22 tax years. You can do so using a designated [online portal](#).

NOTE: If you do self-assessment, you won't be able to use HMRC's online portal; instead apply for the tax relief in your tax return.

If you worked from home during the last tax year, but failed to apply then, you can still do so now. Claims can be backdated, meaning that you may be eligible for up to £250 tax relief.
