

# Sunday Success

What are we celebrating this week?

## Phenomenal Practice Partners

Next year we want to really focus on helping our Partners learn and grow. The launch of our community (which you'll be hearing more about at the Christmas Parties and our special Christmas Teams Meet) will go a long way towards this. For our permanent Partners we also want to ensure we have clear competencies and career paths in place to help with this development.

Which leads us nicely onto our **PHENOMENAL** Practice Partners, who we want to give a big shout out to: Alex Williams, Liam Hynes and Andy Duffy. Not only have they been holding 1-2-1s and helping build development plans, but they have whole heartedly thrown themselves in to developing supporting documents to help us take another step forward next year.

**Thank you all and keep up the great work!**

## Another happy client

Last week, we carried out a feedback session with EFG and here is what the Lead PM had to say about us:

*“Project Partners have supported this project in a way that went above and beyond expectations. The complexity of the task undertaken by Project Partners was not fully understood by the firm at the outset but the team provided by PP adapted and overcame everything the project threw at them. PP would be my first choice for any similar projects I run in the future.”*

**Excellent work team!**

Want to give kudos to somebody for their great work? Let us know and we might mention them in next weeks' email!
