

Sunday Success

What are we celebrating this week?

Nicky's heading off!

This week will be Nicky's last week before she heads off on maternity leave, so we just wanted to wish her and Mark a huge congratulations.

Take the time to enjoy every minute of your maternity leave with your new baby. Don't think about work for a second. We know you're going to be tremendous parents to the heir to the Project Partners throne!

This weeks' shout outs

Piotr Ozlanski

A huge shout out to Piotr for receiving a thank you from a programme director at our client Tesco. Piotr picked up a technically complex and challenging project and managed to turn it around in shift time. Well done Piotr!

Scott Carmichael

Scott has picked up additional workload recently and been a great support to our programme manager Marie at Tesco. Amazing work Scott helping to restate costs for a critical budget submission.
